Delicious meatballs – gluten and egg free

Cold or warm, served in a restaurant with side dish or as fast food in the bread roll – meat balls, frikadeller, kjøttkake or köttbullar are one of the favorite dishes in Western Europe. Convince your customers that place high value on healthy nutrition with our innovative products for the manufacture of tasty meatballs and meat loaf – without gluten, yeast extract and E-numbers (only the DELITOP version)! In addition they fulfill the highest expectations: the meat gets crispy on the surface, brown evenly and stays juicy in the middle.
