

RAVAS

RAVAS 35th Anniversary

Reliable and industrial weighing hand pallet truck

SPECIAL PROMOTION

Order now and win a 3 day trip to Den Bosch, The Netherlands!
For more information, check the website: WWW.RAVAS.COM

RAVAS

Highly accurate with a weighing tolerance of max. 0.1% of the load lifted

DISPLAY

Multi-range 0.2/0.5/1 kg (until 200/500/2000 kg) enables you to use both small packages and heavy pallets.

BATTERY PACK

Thanks to the exchangeable industrial battery pack, it can be easily charged at night or during weekends with the supplied charger.

The battery pack provides power for 35 hours of continuous weighing.

Optionally available second battery pack.

PROTECTION

Rock-solid protection of electronics inside against protruding pallet parts on the load side.

This special promotion ends on January 31, 2021.
