INVITATION

WORLD PREMIERE

FZ 33 COMPACT

FEBRUARY 8/9, 2013

DENKENDORF PLANT

FZ 33 compact

The new portal milling machine.

Experience maximum performance
on small space – live on site.

You are heartily invited to attend the world premiere of the new FZ 33 compact at our Denkendorf plant on February 8/9, 2013. Get information about our new portal milling machine, daily from 9 a.m. to 6 p.m.

It is more compact than the existing Zimmermann machines and it combines a wide component spectrum at an unbeatable price-performance ratio – all that paired with the well-proven Zimmermann technique.

Please contact us via fax or e-mail until February 1, 2013. We are looking forward to your reply.
