**Schaeffler has completed the acquisition of Ewellix**

04.01.2023

Dear Ladies and Gentlemen,

We would like to inform you that effective January 3, 2023, Ewellix officially became part of the Schaeffler Group. As a result of this exciting acquisition, Ewellix will operate as an additional business within Schaeffler and work closely with the company's Industrial division.

Schaeffler will support the Ewellix team in executing major growth plans, leveraging synergies throughout this journey. This will enable Ewellix to continue its agile development in the future. Together, we will form a leading global linear components and systems supplier.

As one team, Schaeffler and Ewellix will be able to bring exceptional industry expertise and experience to better serve our customers and respective markets and continue to develop as a company. We anticipate this journey to be a process and are committed to providing a smooth transition every step of the way.

We will continue to bring the best products, support and service level that our customers have come to expect. We also take this opportunity to note that customers should continue to contact their usual representatives at Ewellix and Schaeffler until further notice.

"Joining forces", we look forward to continuing to serve you, our trusted customers. Please do not hesitate to reach out if you have any questions.

Kind regards,

Dr. Stefan Spindler  
CEO Industrial  
Schaeffler Technologies AG & Co. KG

Daniel Westberg
