positive examples from the business
world

CHEMSEC IS A BIT DIFFERENT

- We don't target the general public
- And we never run any "name-and-shame" campaigns
- Instead we "raise-and praise"

TEXTILE GUIDE

WHY MOVE TO A CLEAN CIRCULAR ECONOMY?

- Business case for brands
- Business case for recyclers
- Legislation
- What do we need to get there?

CHALLENGES

- New co-operations
- ID of future needs for information
- Development of transparency systems
- Acceptance for transparency
- Relevant legislation
- How do we get there?
