SUSTAINABLE SOLUTIONS

At SCANLUX Packaging we focus on the environment. As our customer, you have always the option to choose environmentally friendly solutions.

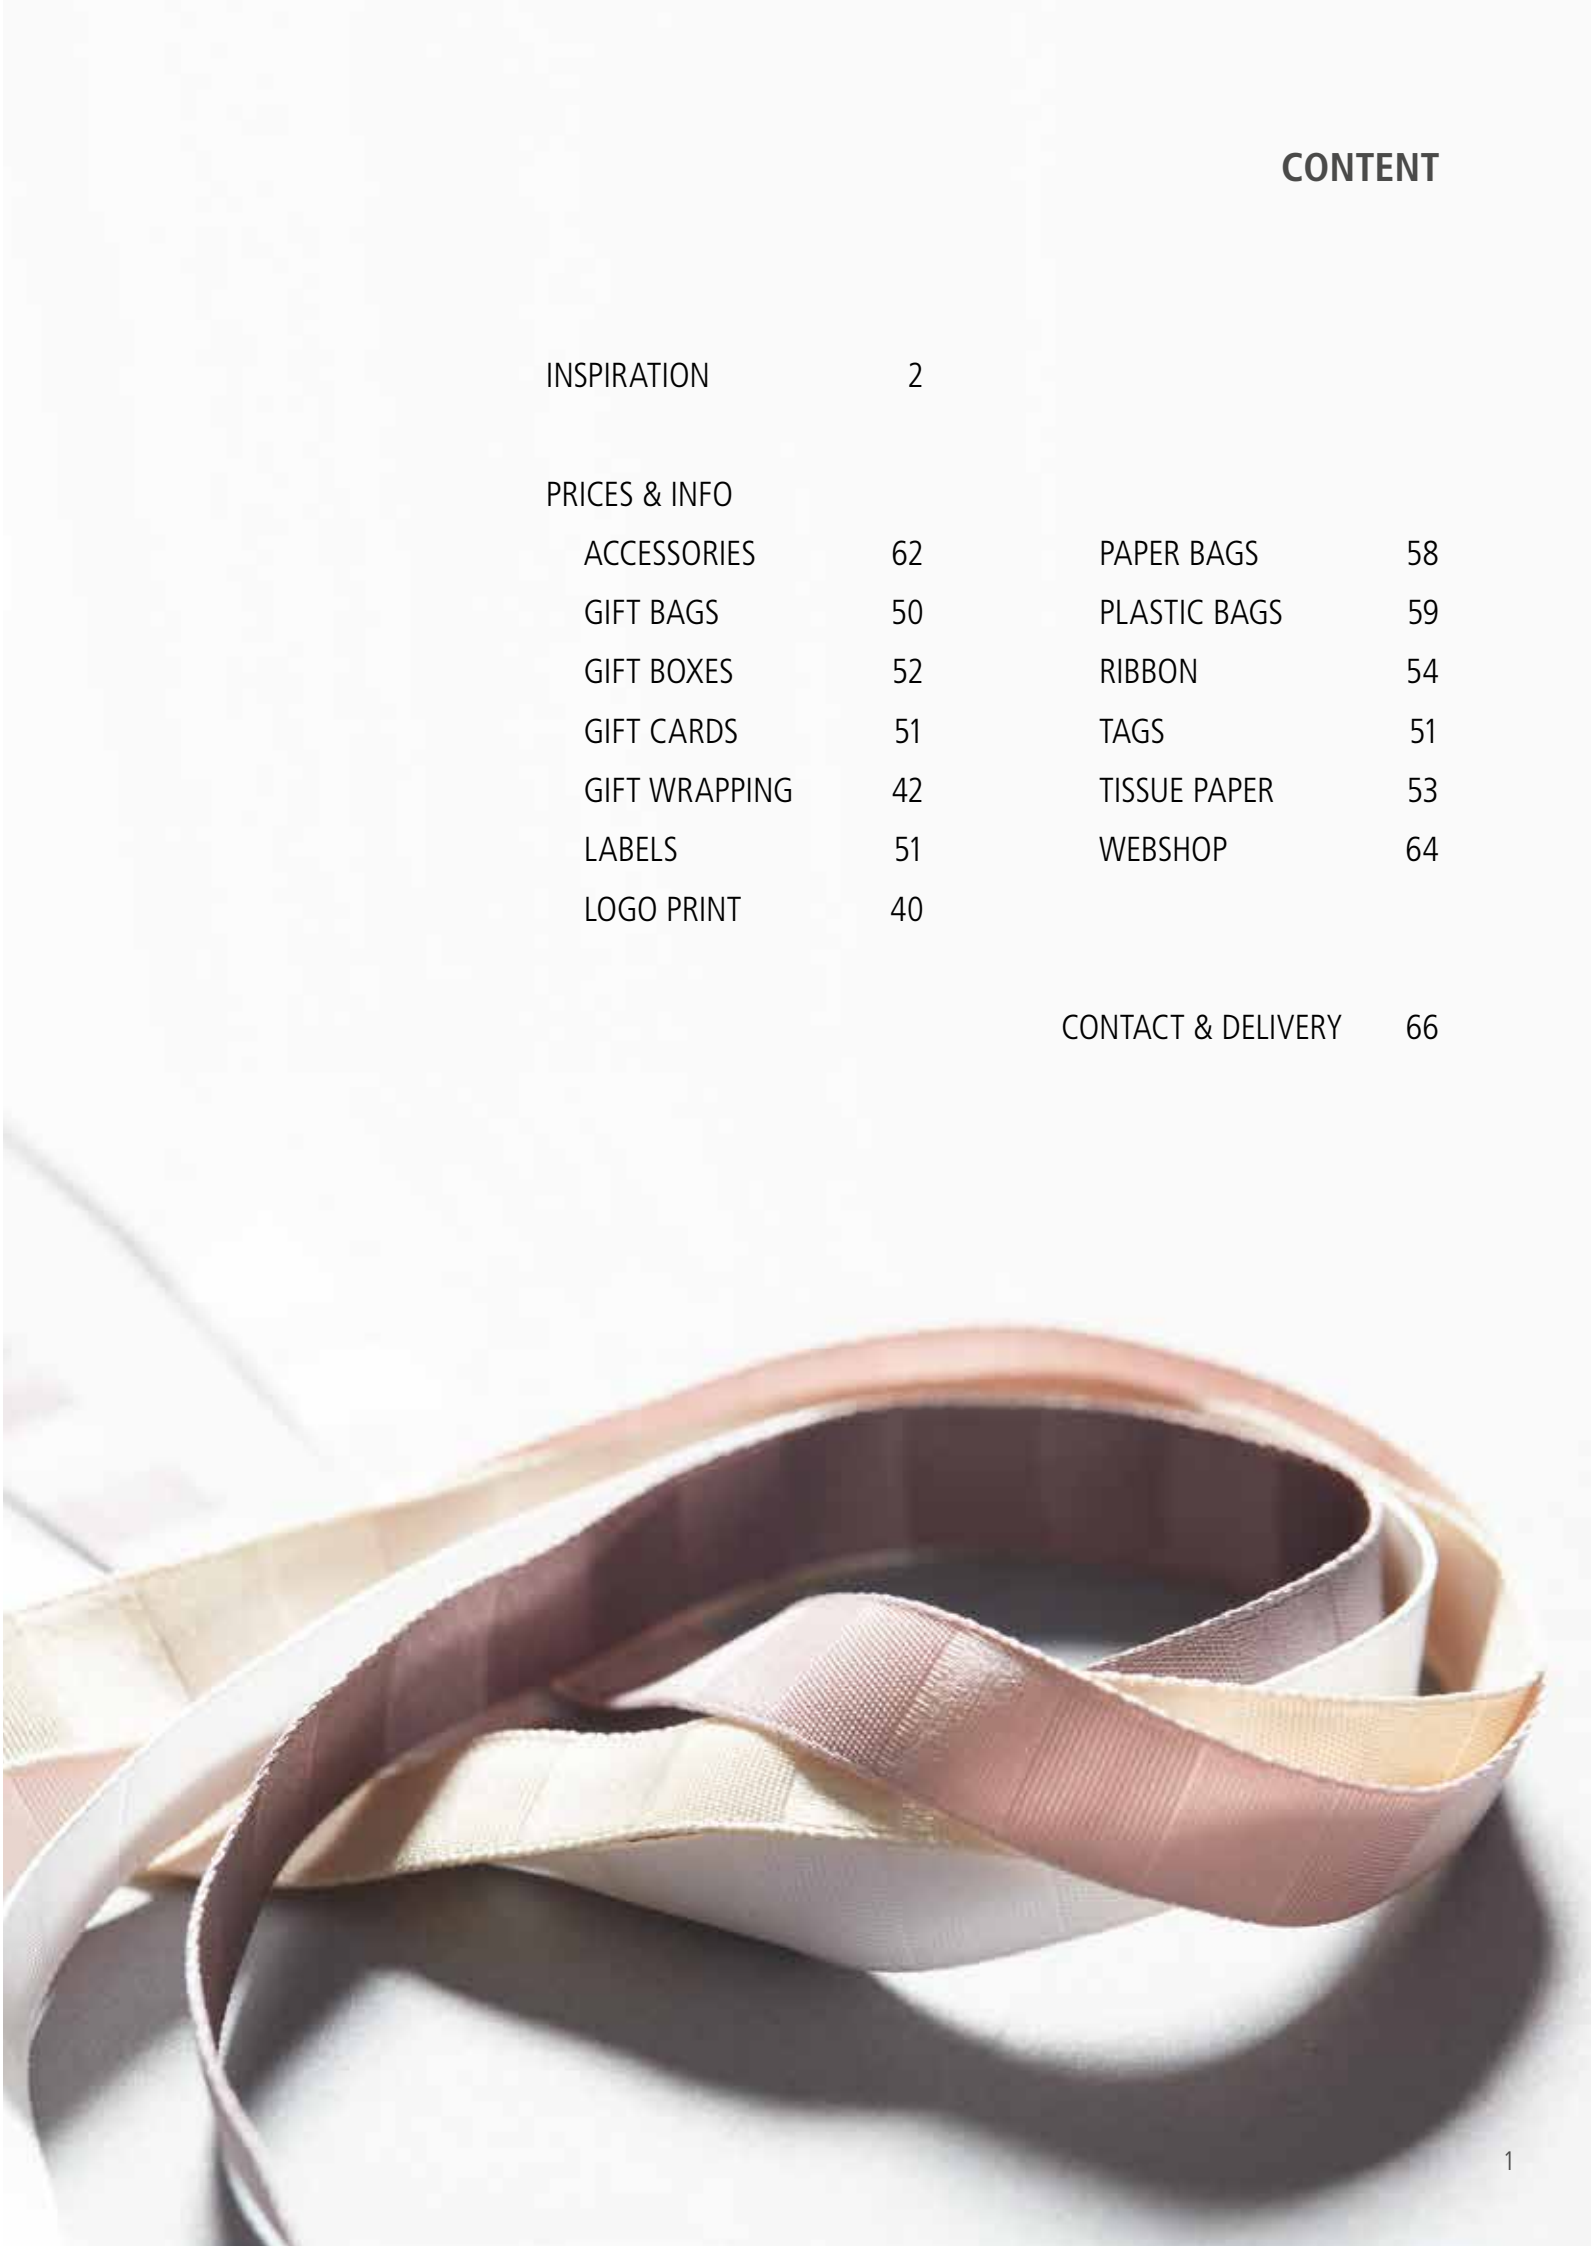

Approximately 70% of Scanlux wrapping paper is produced in 100% FSC® paper and printed with water-based colors. This way we can ensure that the paper consumption does not contribute to the reduction of forest areas and we ensure better working environment and reduction of chemical waste.

All FSC® products are marked with FSC® in the catalogue.
