General information

You have the opportunity to be seen with banners on the portal and with advertisements in our newsletter which is sent out to decision makers in the industry.

Our sites are responsive, which means that they adapt to the screen they are displayed on. Html and script banners must be adapted to responsive display. Remember that the ad must be legible even when viewed on a mobile screen.

Advertisements and banners are linked to your website, it is also fine to attach another link when you submit your material.

We offer beneficial advertising packages which includes membership.
