CRANE DYNAMOMETER (D2000A) / CRANE SCALE

- Designed and manufactured in DK for high quality assurance.
- Highly accurate and reliable, $\pm 0.2\%$ FS accuracy.
- Very clear red digit LED display. Visible at long distances and in bright daylight.
- Robust high strength steel construction for use in hostile environments.
- Flexible suspension, designed to minimize torsional effects.
- Supplied with full certificate of calibration.
- Fully serviceable parts.

Capacity: 2T to 120T. Available ex. Stock (DK).
