

**Besøk oss på EMO Milano 2015**

Dear Ladies and Gentlemen,

please be informed that **Weingärtner Maschinenbau GmbH** will participate at this year's EMO machine tool show, which takes place at the fieramilano exhibition centre in Milan from 05<sup>th</sup> to 10<sup>th</sup> October, 2015.

We will use this as an occasion to present our latest product developments.

- **mpmc 2000** – the new dimension of complete machining
- **rotomill 400** – the revolution in screw manufacturing
- **vario** „next generation“ – approved concept with numerous new features
- **technologies** for the most efficient machining of turbine, compressor and generator shafts
- **weinCAD® 4.0** –new options in ergonomic design

It would be a great pleasure for us to welcome you at our

**booth F20/hall 03**

and to update you with the latest developments at Weingärtner Maschinenbau GmbH.

We are looking forward to seeing you at the EMO Milano 2015!

Kind Regards,

**Weingärtner Maschinenbau GmbH**

  
Mag. (FH) Dominik Weingärtner  
Vice President

  
Ing. Klaus Geissler
