Don't miss the 2nd edition of the important and relevant event **Lab & Diagnostics of the Future, June 1st in Stockholm at Karolinska Institutet** and **at Swedish LabDays in Stockholm on September 1st.**

The event will highlight the latest innovations in labtech and diagnostics, experiences and future visions from the industry's decision makers and the users of lab technology equipment. The day is aimed at lab managers, biomedicine analysts, purchasers, investors and leading decision makers in healthcare and pharma and will be covered by the media. Read more on labdiagnostics.eu.

On June 1st at Lab & Diagnostics of The Future in Solna at Karolinska, we offer 15 exclusive exhibiting-slots and a few speaking-slots. At Lab & Diagnostics of the Future September 1 st in Stockholm at Swedish LabDays, speaker slots are offered only.

The event will be covered by the media.
