

E600

Integrated Smart POS

New Generation Mobile Electronic Cash Register Solution | All-in-One Housing Unit: Tablet, Printer, PED, Ports | Seamless User Experience | Flexible Base Station
PayDroid Powered by Android

Powered by Android

Supported by the PAXSTORE open software distribution platform, within which payment service providers create and manage their own independent appstore marketplaces.

Improve and modernize your retail business by using the mobile E600 as a mini ECR to conveniently process transactions on the go with your customers. The E600 is ideal for a wide range of merchants,

including fashion & hospitality to add an element of mobility within a store or restaurant environment, food delivery or courier businesses, and street stalls or festival booths.

The handheld E600 features a large yet compact display, fast printer and payment acceptance module, allowing any type of transaction to be conducted while on the move.

FEATURES & BENEFITS

All-in-One Integration

- Barcode & cameras for 1D / 2D code scanning
- Business management software applications
- Handheld portable wireless mini ECR
- Large color touch screen display
- Integrated payment module

High-Tech Performance

- Super-fast printer, up to 80 mm/s
- Flexible power charging options
- Long-lasting battery capacity
- 4G + Bluetooth + WiFi,
- Multiple port peripherals

E600 Integrated Smart POS

SPECIFICATIONS
