

SOFTSEL SOFTENER CRYSTAL SALT

WWW.ULTRA-FILTER.COM

Softener Crystal Salt

Softsel Crystals

Technical Data

Chemical Specification:

NaCl	≥ 99,8%
H ₂ O	< 0,1%
Ca	< 0,06%
Mg	≤ 0,03%
Additives	none

- Meets the European standard EN 973 type A
- DIN 19604
- AFNOR T90-612
- conform European Biocide regulation BPR 528/2012 EU (NOTIF1032)

Soft-Sel Crystals

Salt crystals for water softeners, for the regeneration of ion exchange resin.

Soft-Sel Crystals is very pure refined salt and has been developed especially for the softening of water for human consumption and water used in the food industry. For use in both domestic and industrial appliances.

Benefits

- **More salt volume than pellet salt**
- **Less cleaning in the softener**

Grain size	min.	max.
< 2000 µm	0%	5%
2000 - 5000 µm	0%	20%
5000 - 16000 µm	70%	100%
16000 µm	0%	5%
20000 µm	0%	1%
Bulk Density	1150 - 1300 kg/m ³	

* the grain size analysis is performed according to ISO 13322-2:2006 with Sympatec Qicpic Particle Analyzer

Legislation - Contaminants - Impurities

Meets the European standard EN 973 type A for regeneration salt for ion exchangers • is registered on the article 95 list of ECHA and complies with the European biocide legislation BPR 528/2012 EU • is notified in Belgium as a precursor for in situ generation of active chlorine, registration number NOTIF1032 • suitable for domestic and industrial appliances • suitable for the softening of drinking and water used in the food industry • production facilities are conform to the hygienic requirements for the fabrication of raw materials for food industry (852/2004/EC) • free of foreign and harmful elements • specifications are based on internal and external quality controls • it remains the user's responsibility to perform an entry inspection and to check the suitability of the product for the intended application

ABOUT US

Ultrafilter Scandinavia offers a wide selection of filtration products for compressed air, liquids and gas. We have stock in Denmark and from here we distribute all of our products to Scandinavia and the Baltic countries.

Ultrafilter Scandinavia is a part of the Ultrafilter group. Our production facility is in Germany and we have several subsidiaries in Europe and the United States.

You can buy our products on local websites. Information about our products as well as brochures and manuals can be found on our website (www.ultra-filter.com).

We can adapt all of our filtration products to your needs, and we offer visits from our consultants in order to find the right solution for you. We also offer on going service on our products once they are installed.
