**Reversible twister ratchet
 handle set**

Most narrow places and no
 space for ratcheting?
 The square is moved without
 return angle by twisting of the
 bi-material handle. Square drive
 in the handle for extension bar
 or t-handle.

Also usable as normal ratchet
 handle with fine teeth (60 teeth).
 Left and right switching by
 pushing of the square drive
 through.

General Collection

KRAFTWERK - the leading Swiss trade mark for quality and diversity of professional work lamps, always technologically state-of-the-art.

51 | Art. 32020

Waterresistant rechargeable 2+2 W LED lamp

- with 2 Li-Ion exchangeable batteries with each 6 working hours
- with extremely lightweight and highly crush resistant aluminium housing (3 m drop test)
- lateral 120° wide, powerful COB-LED (warm white = almost no glare)
- front CREE power LED (warm white = almost no glare)
- 2 push button switches
- intelligent battery charger with various functions: Charge status indicator; over charge, discharge and short circuit protection; two charging slots with independent control system for charging 1 or 2 batteries simultaneously; automatically detects the battery current state, intelligent switching the charging modes.

52 | Art. 32032

2 W COB-LED rechargeable workshop lamp

of the latest generation, powerful, with light angle 120°, combined with 1 W-high power LED torch light. Very compact structure with rubberized housing. Variable swivel head up to 180°, 2 strong magnets on the back- and the base side. Rotating and foldable hook on top of the lamp. Charger with USB-charging cable.

53 | Art. 32032LS

Table- and wall charger base

with magnetic base to fix and hold the lamp.

54 | Art. 99032

Compact, rechargeable cordless LED lamp

- Cordless for practical use
- Suitable for professional and home use
- Protection class IP65
- Integrated hook and belt clip
- Internal magnetic holder
- Up to 4 hours between charges
- Rubber coated body
- Including AC main charger and 12 V car-adaptor

FREE Art. 3895LS

Table- and wall holder with rubber base and integrated metal core to fix and hold the lamp.
