Avit the brand which offers a range of well made, well presented and well priced products for the DIY and trade professional, has refreshed it's screwdriver offering, with the launch of a new 7 piece screwdriver set.

Based on the popular Avit 4 piece screwdriver set, the new pack extends the range of the most popular PZ and Slotted screwdriver sizes and comes neatly packaged in a display box which can either be wall hung up or stacked at the bottom of a display.

Price offers exceptional value and is offered to the market with a special launch deal for our trade customers.
