PLAST FORUM

Plastics is an important material and it will become even more important in the future. Plastforum is the number one media channel in Sweden that gives you a comprehensive overview of the plastic, rubber and composite industries.

With more than 15,000 recipients, Plastforum – the print magazine, electronic magazine, website (plastforum.se) and the weekly newsletters - is the obvious marketing channel for the plastics industry and its suppliers.

Our subscribers and followers are professional decision makers. Half of these are CEO, owner or in managerial position. 25% are engineers and 20% have sales and market responsibility.

We want to give you the best conditions to make strategic decisions. Technological progress is running fast, and we are at the forefront. That is a journalistic challenge, but that is where the Plastforum readers deserve to be.

Yours sincerely,

Malin Folkesson, Editor in chief
