

5
YEAR WARRANTY

RS Pro Finishes Wet Blast Machines come with an array of standard features.

- Constructed from high quality 2mm 304 stainless steel.
- Fully powder coated in grey or white.
- Right hand side door with double media catch trays and safety switch.
- Components wash off gun for a quick and easy rinse.
- Air blow off gun to dry components.
- Pressure regulator with gauge for fine adjustment to blasting pressure.
- Four anti-shadow LED lights
- 3Kw sump heater to aid de-greasing with ON/OFF switch.
- Automatic windscreen wiper and rinse which is activated with the foot pedal.
- Heavy duty rubber gauntlets.
- Light weight polyurethane gun.
- Plastic sedimentation tank.
- Easy reach control panel with large emergency stop button.
- Media recirculating pinch valve to restrict reusable media going to waste
