A new SUN rise with PMC Hydraulics

AT **SUN HYDRAULICS**, we have expanded our relationship with PMC Hydraulics from Denmark and Finland to **Sweden**. Their hard work and the deep understanding of our products, as well as the creative hydraulic control solutions of the PMC Hydraulic experts, will ensure that the Sun Hydraulics technology brands are in good hands throughout the Nordics.

PMC Hydraulics provides Sun Hydraulics products in the Nordics

For PMC Hydraulics, this means that the state-of-the-art Sun Hydraulics product range is now available from us throughout the Nordics. For you as our customer, this new era of extended cooperation with Sun Hydraulics means a complete selection of innovative hydraulic valves and other world-class products are easily available in Nordic markets, including Sweden.
