Native advertising

Native Advertising is a sponsored text on transportnet.se that is marked as an ad. The content is designed so that the reader perceives it as a natural part of the platform. The sponsored content should, for maximum effect, be relevant to the target audience and add value to the reader.

Membership SEK 6.800/year

All ad prices are up prices. Prices for non-members is twice that. Contact us for more information.

Transport Logistik idag

Transport & Logistik Idag is the business magazine for the whole of the transports and logistics trade, including material handling and real estate. Our readers are Procurement Directors and Managers in supply chain management, as well as Managers in forwarding, material handling, road carriers, shipping companies, railroad freight and air freight.

Transportnet.se collects the latest news in transport and logistics as well as news about infrastructure and transport policy. Twice a week – Tuesday and Thursday – we deliver Sweden's most widespread newsletter on transports and logistics.
