Pavilion of Denmark at mining show EXPOMIN 2016, Chile

For the third consecutive time the Danish Mining Technology Group and the Danish Embassy in Santiago have the pleasure of inviting your company to participate at the joint **Pavilion of Denmark** at the world's second biggest mining trading show, **EXPOMIN** from **25-29 April 2016** in Santiago, Chile.

An interesting next 10 years

The Chilean mining sector is among the very biggest in the world. The industry welcome 50 initiatives to materialize from 2015-2025 worth more than US\$ 100 billion enabling the supply of some of the most important resources like gold and iron to double and increase the copper production to 8 million tons.

EXPOMIN – an industrial fair beyond only mining

A long range of technologies and services are in demand within the sector from all kinds of equipment, to engineering services, construction, the vital need for technologies in relation to water, to energy supply and everything concerning infrastructure and housing in the mining areas. Possibilities are many and EXPOMIN is the number one meeting place for the international mining industry in Latin America.

Joint Pavilion of Denmark
