

**Happy New Year
2017**

Happy New Year - and thank you for your cooperation in 2016

2016 - An eventful year

In 2016, M-Comp A/S had an eventful year in all possible ways:

- ✓ We welcomed new customers for our industrial monitor program
- ✓ We developed several new series especially for the transportation and food industry
- ✓ In May we got a new management Team as I took over the CEO position, and Lars Nordberg-Hansen was appointed Business development director.
- ✓ In June Otto Vinther Christensen, Director at IFU, became Chairman of the board.
- ✓ We got recertified ISO 9001, and are currently working on becoming certified ISO 2015 in Q2 2017
- ✓ In November Søren Pedersen joined the company as Development Manager, working closely with Lars Nordberg-Hansen on developing software solutions
- ✓ In December Poul Madsen, Director at Grundfos joined the board of M-comp A/S.

2017 – A successful year – together

In 2017 we will focus on developing new as well as defined projects with and for our customers.

We will continue to focus on short time to market because of our presence in strategic markets such as Korea and in-house production.

M-Comp A/S now has strong and dynamic organization with a flexible set up with a high level of international experience from the electronic market. Ready to conquer new opportunities within our field of business.

Thank you for your confidence and trust in M-Comp A/S, and for your cooperation.

We will make 2017 a successful and exciting year – together..

Happy New Year

On behalf of Team M-Comp A/S
