

INVITATION

Dear Sir or Madam

As a well-known manufacturer of tools and solutions for the woodworking industry Flex Trim A/S will again this year participate at the HolzHandwerk & Fensterbau exhibition in Nurnberg, Germany. The fair is taking place from the 26th to 29th of March.

You will be able to find us at **booth 8-419 in Hall 8** where we, among other things, will be presenting:

- New cup and traditional heads
- New solution in edge sanding
- New brushes for structuring

During the show you will also be able to meet our salespersons and technical staff, so there will be no better chance to discuss new ideas, suggestions and get advice regarding brush sanding.

Read more on www.flex-trim.com about what we can do for you and read our casestories to see how we have helped others.

We hope to see you at our booth in Nurnberg.
