ADVERTORIAL & NATIVE

Take control over your company communication with the help of an advertorial or a native article.

Let us create an article with the help of an external freelance journalist that in collaboration with the client creates an article, the article reminiscent of the magazine's editorial content or the digital portal and news-site Habit.se. The text is thereafter layout and packaged through a full page or digitally published using images and other relevant information. An image is placed centrally in the article along with two or three smaller pictures embroidered around the text. The material must be approved by the editors before publication and be clearly marked as an advertisement or advertorial.

Create relevant content and communicate your industry benefits adapted to the Scandinavian fashion industry with an sponsored article
