The Nordic leading trade magazine in public transport

Trafikforum is the Nordic leading industry magazine for all kinds of passenger traffic except air travel. Trafikforum observe everything from topical and regional public transport to long-distance traffic by bus, train and taxi. Whole Sweden are monitored and we also carry out relevant international coverage. The magazine are complements with our website rt-forum.se with daily reporting and newsletters twice a week. We create our own industry meetings and cover all important seminars and fairs. The target groups are politicians and authorities with public transport as a responsibility as well as all suppliers of vehicles and all types of public transport equipment.

Trafikforum are working closely with the industry organization The Swedish Bus and Coach Federation "Sveriges Bussföretag" and published as a subscribed Digital-magazine and printed paper magazine.
