

Datasheet

Type: NS32 (600mm)
Itemnr.: 1429300051

Product description

NS32 is a round mini LED tube. As the product is extremely small and has a simple design, it can be installed in places with very limited space. NS32 provides a nice, warm light with a broad diffusion of light which ensures a successful installation in drawers, under cupboards as indirect lightning, or in a third place. The product can be easily installed with clips and is delivered with a driver, which can supply a given amount of mini LED tubes. NS32 is 100 % waterproof and can therefore be used in wet areas and outdoor spaces. The product has a two-year guarantee.

Technical Data

Lumen	350lm
Beam Angle	120
Colors Available	Warm white or Neutral white
Color Temperature	Warm white 3000K or Neutral white: 4000K
Color Rendering	CRI90+
MacAdam	Step 4
Color Bin	V6
Consumption	5W
Voltage Range	12VDC
Efficiency	70 LPW
Equal To	NS32 5W = Fluorescent tube TC-TEL 9W
Lifetime LEDs	30K hours at Ta = 25°C (L70) B10
Dimmable	Option
IP Code	IP65
Class	2, Double Insulated
Size	Ø13 x L600 mm
Installation	With included clips
Weight	0,1 Kg
IES File	Yes
Warranty	2 years*

Shipping

The products are to be delivered in package of 1 pc.

Energy savings up to 80%

One-lamp tube TC-DEL 9W ➡ NS32 5W
Halogen light QT 40W ➡ NS32 5W
