Transport Logistikidag

Transport & Logistik Idag is the business magazine for the whole of the transports and logistics trade, including material handling and real estate. Our readers are Procurement Directors and Managers in supply chain management, as well as Managers in forwarding, material handling, road carriers, shipping companies, railroad freight and air freight.

Transportnet.se collects the latest news in transport and logistics as well as news about infrastructure and transport policy. Twice a week – Tuesday and Thursday – we deliver Swedens most widespread newsletter on transports and logistics.
