(the "Customer")

(the "Supplier")

hereby agree that the Supplier will supply the following: performance of a task concerning software for designing and conducting computer-based behavioral studies (experiments and surveys). For a more detailed description of the task see the Customer's specification of requirements in annex 1 and the Supplier's tender in annex 4.

The total price of the supply appears in annex 3 – Price list.

Delivery must be made when the contract is signed.

The contract is valid for four years.

Delivery will be made in accordance with the Standard Terms and Conditions, attached as annex 2.

The following conditions have been agreed to the Standard Terms and Conditions:

The supplier shall be compliant with Regulation (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (GDPR) when it processes personal data in relation to the provision of the services.

The supplier shall implement appropriate technical and organizational measures to ensure a level of security appropriate to the risk related to the processing of personal data, cf. GDPR art. 32, section 1. Moreover, the supplier must store personal data in the EU/EEA. Transfers of personal data to countries outside the EU/EEA is not permitted unless the supplier has implemented technical measures ensuring that the supplier or third parties, including authorities, in the country of destination cannot access the data "in the clear", e.g. by encrypting the data and storing the decryption key separate at an EU/EEA based supplier that is solely under the jurisdiction of the European Union Member States and Member State law so only that EU/EEA based party (e.g. the Danish Competition and Consumer Authority) can read/decrypt data.
