

IDEAL INFRASTRUCTURE

Located centrally, in the heart of Hamburg: The grounds of Hamburg Messe und Congress GmbH offer the ideal logistical connections to **Hamburg Airport and the A 1 and A 7 motorways**. Short driving distances as well as **1,300 parking spaces** on the fair grounds guarantee smooth assembly and dismantling processes. There is also a **free shuttle service** for your customers to and from a specially hired, free-of-charge car park with more than 3,500 spaces.

GET Nord

Trade Fair Electrical Engineering, Sanitation, Heating, Air-Conditioning

22–24 NOVEMBER 2018
HAMBURG • GET-NORD.DE

BDH
Bundesverband der Deutschen Heizungsindustrie

ZVEI:

Hamburg Messe

ALL SECTORS INTERCONNECTED

Continue a formula for success together with us: GET Nord is the only trade fair in northern Europe which links all sectors of the sanitation, heating and air-conditioning plus electrical engineering industry in a smart home network. As an exhibitor, you will meet a particularly wide range of decision-making professionals – and not just from northern Germany! More and more visitors from the neighbouring countries, such as Denmark, Sweden, Finland, Poland and the Netherlands, use GET Nord as the most important meeting platform of the year in order to pick up information about new products, get inspiration regarding new smart home developments and establish contacts.

Register for GET Nord today, taking place from 22 to 24 November 2018 in Hamburg, Germany. We look forward to seeing you there!

HIGH VISITOR POTENTIAL

All your target groups under a single roof: GET Nord's successful trade fair concept for networking is well-established as the first venue for visitors from all industries – **ranging from planning (2,200 architects visited GET Nord in 2016) to realisation.** Here is where you will reach **decision-makers** from the electrical engineering, sanitation, heating and air-conditioning industries, from retail and wholesale, **who are highly ready to make investments**, as well as building specialists from the industry sector and public, social and medical facilities and decision-makers from the housing industry.

THE TARGET GROUPS OF GET NORD

At GET Nord you meet not only tradespeople. Supporting events such as the International ArchitectureForum, the InnovationsForum, the IT-Forum, the Smart Home, etc. offers additional attractive incentives for target groups to attend. They include potential visitors from sectors like **Craftsman businesses; engineering and planning offices; architect offices; industrial companies; wholesalers and retailers; Property development, sanitation companies, construction companies; service providers; energy suppliers, energy technology; facility management companies; public institutes, public and city planning offices; Supply and utility companies, water works; housing societies/building management companies; universities, applied science universities, vocational and higher education schools; hospitals, social institutions; hotels; gyms; cinemas and holiday properties.**

FREE SERVICE

- **Free admission for your customers:** Invite your business contacts to visit your exhibition stand. We will send you the number of free invitations you request. **Neither you nor your customers** will be charged for the redeemed tickets.
- **Advertising for your success:** Additionally, we will supply you with free advertising material for your effective trade show presentation. Whether you want online banners, adverts, posters or brochures – you can order everything simply and conveniently from us.
- **Foreign contacts:** Our foreign representatives will be pleased to assist you and offer comprehensive advice concerning all important issues in connection with the trade fair. The contact addresses are listed at hamburg-messe.de/en/exhibitors/foreign-representatives.
