PlastForum NO is a commercial industry network where suppliers, subcontractors and purchasing companies in the plastics industry can easily contact each other. They can find information about each other, buy/sell new and used products and machines for each other, insert job postings and much more.

In addition to this, PlastForum NO offers a unique opportunity to keep up to date with the industry via our daily newsletter.

PlastForum NO aims to be the pivotal point of the plastics industry in terms of effective contact and information sharing.

TARGET

Users of PlastForum

Managers, makers and suppliers in the plastics-, composite and rubber processing industries. Industrial designers, engineering environments, suppliers to the offshore industry, the aquaculture industry, construction and the construction sector. Technical agencies in Norwegian municipalities and research institutions.

Every day, PlastForum meets the decision makers in the companies.

Directors, the sales/marketing function as well as purchasing and production make up more than 80% of the readers.

PlastForum makes use of so-called permission marketing, which is extremely effective within internet marketing.

We contact all key people in the industry by telephone to get their acceptance prior to signing up for the newsletter. Most people say yes to this. In addition, we have a number of people daily who sign up for the newsletter on their own initiative.

There is a continuous change of recipients of the newsletters in connection with job change and such. Each month we even sign up to a number of recipients, if we receive the newsletter in return - (bounce back). The number of recipients thus reflects the majority of the industry's key people. Email addresses will not be passed on to the third person when signing up for the newsletter.
