

T1

Compact, Low-profile Cylindrical Scrubber

- Scrub small and tight spaces with the T1's compact, best-in-class design
- Reduce risk of slip and fall accidents in narrow, congested spaces with excellent water recovery – even in forward and reverse maneuvers
- Improve environmental health by reducing bacteria growth with easy-to-clean-and-sanitize Hygenic tanks

Deliver superior cleaning results in small spaces you couldn't clean before – with compact design, powerful scrubbing action, excellent solution recovery, and fully cleanable Hygenic tanks.

Dramatically improve floor cleanliness

Thoroughly and effortlessly clean congested hard floor spaces, like you never have before, with small, powerful design.

Compact, maneuverable design

Safely and easily clean while traveling forward, in reverse, and turning into tight spaces, with highly maneuverable four-caster design and quick-adjust handle.

Easy to use and maintain

Easy-to-fill, -empty, and -clean Hygenic tanks offer a unique compact design.

Ergonomic handles and grips ensure easy handling.
