

Please join us in celebrating the launch of

DTU Learn for Life

DTU Learn for Life is a new centre acting as a focal point for a new strategic investment in continuing education and lifelong learning.

The centre will become DTU's platform for all types of continuing education activities. It is our ambition that the centre should reach out widely to business, authorities and organizations - both Denmark and the rest of the world.

At the launch event, you will gain insight into the centre's vision and activities, and engage with our extensive network.

Friday, 27 September 2019 From 14:00 - 17:00

DTU Learn for Life Kollegiebakken, Building 421, Entrance C 2800 Kgs. Lyngby

We look forward to seeing you.

On behalf of DTU Learn for Life,

Kind regards,

Philip Binning

Senior Vice President, Dean of Graduate Studies and International Affairs

Karina Rothoff Brix

Head of DTU Learn for Life
