

Cable Stripper *MBH Kab-90*

Ø Cable	2 - 90 mm
Power pack	3,0 kW
Stripping speed	50 mtr/min
Weight	200 Kg
Overall dimensions	800 x 600 x 1.500 mm

The Cable stripping machine for PVC, plastic and lightl armoured cable.

The cable is cut along two sides.

This machine is simple to adjust, has an extremely accurate cable feed in combination with a high cutting speed and is therefor ideally suited for the processing of even the thinnest cables.

Equipped with squeeze rolls.
