Danish Export

# Your access to leading Danish suppliers

Danish Export Association represent a network of Danish suppliers within key industries representing manufacturers, consultants and service providers. We give you direct access to an excellent platform for you to locate new business partners.

Since its foundation in 1965, Danish Export Association has provided an unrivalled platform for quality-conscious Danish manufacturers and service providers to interface with their foreign customers and partners.

# Company Details

## Acoplastic A/S

Trygve Kalf Hansen  
CCO  
T +45 2027 1029  
M tkh@acoplastic.dk

### Customized plastic solutions

Acoplastic provides advanced customized plastic solutions to leading industrial customers globally. We are recognized as a responsible partner mastering manufacturing, innovation, compliance and quality documentation with a focus on sustainability.
