

TESTIMONIALS

"Superb customer service and quality! Thank you for supporting our blind football initiative in Zimbabwe!"

Keon Richardson, coach, Palace for Life Foundation

"The Handlife boccia balls are proving to be very popular! We love working with Handi Life and the quality of your products have proved excellent."

Boccia England, Nottingham

"The players agree, that Handi Life Sports' Justa blind sport mask is by far the best goal ball eyeshades we have ever played with."

Gustav Kallan, teamleader of Denmark Men Goalball Team

"I am a volunteer at an old peoples centre in Den Bosch, Holland. Every week, when I can, I help with a game using your product. The residents really enjoy the game which they can easily manage and provides possibility of skill and chance."

David Bacon, volunteer, Den Bosch, Holland

"For people suffering from muscular dystrophy boccia meant a revolution, because it has opened for them the door leading back to the gym. For many people, the Handi Life Sport brand is associated with the balls and the game of boccia."

Andrea Madunová, chairwoman, Organization of Muscular Dystrophy, Slovak Republic

"We appreciate all of your help within the past year with Camp Abilities and the different 5-a-side orders. We have shared your name with over 30+ people about your soccer balls and have only heard positive things. We are always recommending you to people who are curious about getting into blind soccer and are looking into order equipment for themselves."

Lily Jagodzinski, Camp Ability, United States

HANDI LIFE SPORT®

We grew up along with the Paralympic movement in close contact with players and sport organizations for Adapted Sports.

During the years, our customer groups have broadened, so that today we serve elite sport, schools, seniors, small children, physio therapy and rehab centers, company sport – and many more!

Our production is situated in large of area farmland, and ecological awareness is part of our DNA:

- We use recycled materials when possible
- We recycle our waste
- We avoid the use of pvc
- We minimize our use of energy through modern technology.

WE DELIVER EQUIPMENT TO:

RECENT PARALYMPIC REFERENCES:

- 2020 Paralympic Games, Japan
- 2019 Pan American Games, Lima
- 2018 Asian Games, Indonesia
- 2016 Paralympic Games in Rio

We have been suppliers to all Paralympic Games since Seoul 1988.

SPORT AND FUN FOR EVERYONE

- PARALYMPIC SPORTS
- INCLUSIVE SCHOOL SPORTS

We believe that:

- Handi Life Sport® is based in Denmark, we have distributors in 36 countries and supply our products to more than 80 countries all over the world.

BOCCIA

Boccia is believed to be the most inclusive of all sports: Played in clubs, companies, schools, care homes, holiday centers etc.

We produce 6 kinds of bocchia and a wide range of bocchia accessories.

PETANQUE

Our petanque sets can be used indoor, and are fantastic for year round play on any kind of floor. A great advantage in cold, windy or wet weather conditions.

SENIOR SPORTS & CARE HOMES

For a fun and social life in the care home. Use our activity kits that include bocchia or petanque, hand weights for chair gymnastics, skittles, light and soft balls for various games.

VISUALLY IMPAIRED

We make excellent soundballs, blind sport masks, showdown equipment, blind boccia, goalball equipment and much more!

Activity Kit especially for Visually impaired

SOUNDBALLS

Our large range of quality soundballs are used in elite sports, as well as for fun and recreation.

Handi Life Sport's blind footballs are approved for Paralympic and other International games.

SCHOOLS SPORTS

Boccia, Petanque, Blind football, Croquet ... we offer equipment for exciting and inclusive schools sports.
