SPS smart production solutions

Soon, the SPS, the world's biggest innovation platform for automation, will open its doors in Nuremberg from November 14–16, and we'll certainly be there too.

We will present our complete range of technology for smart and digital automation with highlights especially for you at Booth 406 in Hall 7. Use our innovations in the field of automation to bring your development ideas to life or to further optimize existing processes, plants, and machines. We're here for you!

Put the key dates for your trip in your calendar today.

We look forward to seeing you in **Hall 7 at Booth 406!**
