MotorMagasinet - For those who want to follow the industry

Welcome to a new year with MotorMagasinet, the leading industry magazine, which is one of the industry's most important tools. Technical progress is raging rapidly and we are on the road to new types of vehicles and completely new ways to access cars. The demands of the country's workshops are also increasing, more and more knowledge is required, new equipment and quality monitoring.

These are some of the topics we will tell you in MotorMagasinet during the year. The traditional paper magazine once a week, or a total of 40 numbers during the year, is also complemented by an e-magazine and, in particular, the well-known website motormagasinet.se with newsletters at least twice a week. Each number of MotorMagasinet also contains one or more themes as well as news and tech-

nology from all over the world. In addition, reports and articles from industry companies, written by initiated editors.

Do you want to stay informed about what's happening in the industry - then follow MotorMagasinet!
