Native advertising

Native Advertising is a sponsored text on dagenshandel.se that is marked as an ad.

The content is designed so that the reader perceives it as a natural part of the platform.

The sponsored content should, for maximum effect, be relevant to the target audience and add value to the reader. We help you to produce your Native.

- **Native articles are published in an editorial environment**

They fit into the context and engage readers to participate of the content. The article is easily spread on social media to the target group.

- **More space to describe products and services**
which traditional banners cannot achieve.

- **Native gives readers a good ad experience**

Native advertising is sponsored text on the web that is ad marked. The content is designed so that the user experiences it as a natural part of the platform.

We will help produce your Native.

Your Native is up for a week and is pushed in the nearest newsletter.
