Don't miss the 6th edition of the important and relevant event "**Lab & Diagnostics of the Future**" on **March 18th at Life City between Karolinska Institutet and Karolinska University Hospital in Stockholm**. The event will highlight the latest innovations in labtech and diagnostics, experiences and future visions from the industry's decision makers and the users of lab technology equipment and will be featuring around 150 participants. The day is aimed at lab managers, biomedicine analysts, purchasers, investors and leading decision makers in healthcare and pharma and will be covered by the media. The meeting will include pre-bookable one-on-one meetings. Read more on <http://labdiagnostics.eu/>
