Your possibilities

General information

You have the possibility to appear with banners on the portal and with ads in our newsletter sent to decision makers in the industry.

Our site is responsive and banners adapt to the screen they are displayed on. Html and script banners should be adapted to responsive viewing.

Design of the ads are included in the price (one proof, then SEK 1.000 per started hour).

Banners and adverts are linked to your homepage. If you want another link, attach it when you send your material.

Plastforum is the meeting point for the plastics and rubber industry in Sweden/Scandinavia.

We focus on industry - from the manufacture of plastic raw materials for the production of plastic products, which also involves the monitoring of areas such as plastic and rubber processing machines and manufacturing of molds.

We keep the readers informed about the latest trends, important news and changes and the most relevant conferences and events. Our readers are mainly in the plastic, rubber and composite industry, its suppliers and industry that purchase plastic, rubber and composite products. Most of our readers have a decision making position as CEO, Marketing Manager, Technical Manager, R&D Manager, Purchaser, Production Manager.
