BFSD BAG FILTER HOUSING

WWW.ULTRA-FILTER.COM

BAG FILTER HOUSING

BFSD 1-2-3-4

Size 1.

Size 2.

Side-in Side-out filter housing.

Our filter housings are constructed in stainless steel, most with a heavy bolt-lid. Our filter housings for bags have a specially fixed steel accessory to hold down the bag, using the fixture of the filter housings lid, to prevent any bypass past the filter bags.

Technical Data

- Stainless steel SUS304
- 10 bar
- Max. 80°C
- Silicone

ABOUT US

Ultrafilter Scandinavia offers a wide selection of filtration products for compressed air, liquids and gas. We have stock in Denmark and from here we distribute all of our products to Scandinavia and the Baltic countries.

Ultrafilter Scandinavia is a part of the Ultrafilter group. Our production facility is in Germany and we have several subsidiaries in Europe and the United States.

You can buy our products on local websites. Information about our products as well as brochures and manuals can be found on our website (www.ultra-filter.com).

We can adapt all of our filtration products to your needs, and we offer visits from our consultants in order to find the right solution for you. We also offer on going service on our products once they are installed.
