

Friction welding machine RS02

Perfect splice within seconds!

The RS02 Friction welding machine eliminates downtime with a perfect splice every time!

Features at a glance:

- User-friendly and easy handling
- No long heating-up and set-up times, spliced within seconds
- Precise pressure and automatical 0-positioning prevents uneven welds and premature failure
- Automatic alignment ensures that the belt ends are aligned perfectly!
- Temperature variation is never a concern (no guesswork)
- Without the risk of injury or fire due to hot metal
- Due to its small size the RS02 press can be used in confined spaces
- Thanks to its exchangeable jaws the RS02 is suitable for splicing many different profiles made of Polyurethane

Application movie on
www.behabelt.com

Standard jaws:
