Building Supply is a commercial industry network where suppliers, subcontractors and purchasing companies within the construction industry can easily get in touch with each other, find information about each other, buy/sell new and used products and machines for each other, insert job postings and much more.

Beyond this, Building Supply provides a unique opportunity to stay up to date with the industry through our daily newsletter.

Building Supply aims to be the building industry's pivotal point in terms of effective contact and information sharing.

TARGET

Users of Building Supply

Directors, Product Managers, Purchasing Managers, Development bosses, engineers, project managers, sales and marketing managers, architects, property owners, property developers.

Building Supply makes use of so-called permission marketing, which is extremely effective within internet marketing.

We contact all key people in the industry by telephone to get their acceptance prior to signing up for the newsletter. Most people say yes to this. In addition, we have a number of people daily who sign up for the newsletter on their own initiative.

There is a continuous change of recipients of the newsletters in connection with job change and such. Each month we even sign up to a number of recipients, if we receive the newsletter in return - (bounce back). The number of recipients thus reflects the majority of the industry's key people. Email addresses will not be passed on to the third person when signing up for the newsletter.
