

Plastics & Elastomers

RAW MATERIALS & ADDITIVES

- Packaging
- Electronics
- Household
- Cable
- Automotive
- Medical
- Compounding

Additives

- Additives for all thermoplastics
- Additives for engineering plastics
- Additives for rubber
- PE waxes and lubricants
- Purging masterbatch
- White masterbatch
- Colour masterbatch
- Flame retardant masterbatch
- Functional masterbatch
- Plasticisers

Biopolymers / sustainable compounds

- Bio-based
- Degradable
- Recycled

Thermoplastics & engineering plastics

- TPE
- SBS
- SEBS
- TPV
- TPO
- PA6, PA6.6
- PA12
- PVC resin
- PVC compounds
- Conductive compounds
- Reinforced thermoplastic compounds
- Reinforced technical/engineering compounds
- Thermoplastic compounds
- Engineering compounds
- HFFR sheathing compounds
- HFFR & non FR bedding compounds
- PP filled compounds
- PP reinforced compounds
- PP
- HDPE
- LDPE
- PBT
- PBT compounds
- TPU
- POM
- Bio-based compounds
- Medical TPE
- Natural fiber compounds, NFC
- CPVC
- Recycled polymers
- TPC-ET
