

## Floor Target mat (EXP4001)

*HLS Floor Target Mat, size 900 x 900 mm, is made of 2 mm natural rubber covered with polyester.*

*Made in Denmark.*

**Use:** Play a precision game on the floor with Boccia balls, Petanque balls or Beanbags

Or place the mat on a large table and play a game with your Mini Boccia balls!

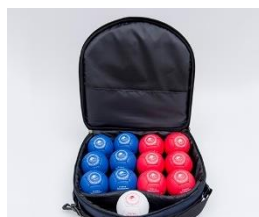

**Maintenance:** remove dirt with a damp cloth or use a tape roll. Do not wash or soak in water.

Avoid stepping on the mat with your shoes on.

**Storage:** Store the Target Mat in a flat position or fold the mat once with the fabric side out and then roll it for storage in the box - just as when received.

Only fold the mat in one direction, to avoid wrinkles on the mat.

**Associated products:** Boccia Superior Classic in blue shoulder bag, Boccia New Basic, Set of beanbags, Petanque French Style 200 set with 12 or 6 balls
