

Sky Food Fair 2018

Businesses, students, researchers and investors are invited to find their **match** at Sky Food Fair

Wednesday May 30 2018 from 14.30 - 17.00

DTU Skylab, Diplomvej, bygning 373A, 2800 Kongens Lyngby

14.30-14.45 Welcome, coffee and cake

14.45-15.00 Food talk by Michael Ingeman og Martin Bregnballe

How do I crack the code as a start-up?

15.00-15.30 Pitch your business/product for investors, students, researchers and other companies

15.30-16.00 Matchmaking session companies/students

Companies and students will meet through a facilitated matchmaking session based on the company's challenges and the student's competencies.

16.00-16.30 Food Fair

16.30-17.00 Beers and networking

Join, if you are a **business** looking to:

- Collaborate with top qualified students within foodinnovation and foodtech
- Pitch your unique product for investors
- Test and develop new products and concepts
- Meet new businesspartners
- See the testfacilities at DTU Skylab
- Showcase your product and concept

Join, if you are a **student** looking to:

- Make a project in touch with real food companies
- Pitch your competencies
- Get insight into the many possibilities at DTU Skylab (events, consultation, labs)
- Network with companies, who are in need of your competencies

Participation is free, but registration is compulsory and required by 23 May at hf@danishfoodcluster.dk
