Manufacturer	Component
Allen Bradley	...PLC/operatorpanels
Baldor	...motor/controlers
Balluf	...limitswitch
Baumer	...encoder/counters/sensors
Baumüller	...motor/controlls
Berger Lahr	...motorer/controlers
Bernstein	...limitswitch
B&R Automatikk	...PLC/controlersystems
Bodine Electric	...motor/controlers
Carlo Gavazzi	...controls/sensors/photocells
Chromalox	...heaters
DINA Elektronik	...PLC/encoder/sensors
Dold	...safety components
Duelco	...safety components
Dunkermotoren	...motors/gearboxes
Dwyer	...measuring equipment
Eberle	...PLC/thermostats
Ebm Papst	...motor/fans
Electromatic	...electronic modules
Emerson	...motors/controlers
Emotron	...motors/controlers
Endress + Hauser	...measuring equipmemt
Erhardt + Leimer	...webguides
Euchner	...limitswitch/sensors
Eurotherm	...regulators
Fanuc	...servodrive/CNC controlers
Fuji	...inverters
Faulhaber	...motors/gearboxes
Gefran	...control and regulation
Groschopp	...motors/gearboxes
Harmonic Drive	...motor/controlers
HBM	...sensors
Heidenhain	...CNC measuring/controlers
Hengstler	...counters
Hitachi	...PLC/inverters
Hitron	...powersupply
Hohner	...encoders
Idec	...PLC
Jocab Safety	...Safetycomponents
Klöchner Moeller	...high voltage components etc.
KromSchroeder	...gasvalve/sensors
Lauer Systeme	...HMI panels
Lenord + Bauer	...encoders/measuring
Lenze	...motors/servodrives

Manufacturer	Component
Leuze	...photocells
Mitsubishi	...PLC
Moog	...servovalves/controlers
Murr Electronics	...electronic/bus technology
Nais	...PLC/photocells
Novotechnik	...transducers
NUM	...inverters/motors
Omron	...PLC/photocells etc.
Oriental Motor	...motors/controlers
PanelMate	...operatorpanels
Pepperl & Fuchs	...sensors/photocells
Phoenix Contact	...bus technology
Pilz	...safety components
Posital Fraba	...encoders/sensors
PR Electronics	...electronic modules
PSG Plastic Service	...temperature controlers
Pulsotronic	...sensors
Rexroth	...hydraulic/valve card
RSF Elektronik	...xyz measuring/controlers
Schleicher	...controlsystems/modules
Schmersal	...safety componets
Selectron	...PLC/ timermoduls
Semikron	...powerelectronic
Schönbuch Electronic	...sensors
Sick	...photocells/sensors/encoders
Siemens	...PLC/motorcontrolers
Sperry Vichers	...hydraulic
Steute	...safety componets
Stöber	...motorcontrolers
Syrelec	...timers/counters
Taian	...inverters
Telemecanique	...high voltage component/ PLC
Tesch	...safety components/measuring
Texas	...PLC
Turck	...sensors
TWK Elektronik	...sensors
Vectron	...inverters
Vickers	...hydraulic/motorcontrolers
Watlow	...heating elements
Wenglor	...photocells/sensors
Yudo	...temperature controlers/heating
If it is not on the list, service will manage and solve the task	

Pro-Consult A/S is the largest company in the repair of industrial electronics.

Our customers are the entire Danish industry.

Experienced service engineers troubleshoot on your machine on location, or you can send the equipment to one of our workshops.
