TrendLine

The flexible drawer insert

Practical. Classy.

connect

Create order by design

connect creates order inside drawers. Made in a practical 25 mm grid format, a range of different elements with a harmonious, linear design, **connect** with each other to create limitless layouts. The system works with any drawer-system and can be used in all depths and widths.

connect Organizingsystem

- Consists out of trays and partitioning elements
- Fits cabinets from 300 mm
- Fits every drawer system
- Assemble a chosen layout with simple **connectors**
- Includes non-slip mat
- Flexible storage for any items in a drawer

Type list

connect Organizingsystem
