Translation In any case, the German original shall prevail.

## DGUV Test Certificate

Name and address of the holder of the certificate (customer): Dustcontrol GmbH  
Siedlerstr. 2  
71126 Gäufelden-Nebringen  
GERMANY

Product designation: **vacuum cleaner for commercial use**

Type: DC 1800 H EX  
DC 2800 H EX

Testing based on: DIN EN 60335-2-69 Annex AA and CC, edition: 2015-07

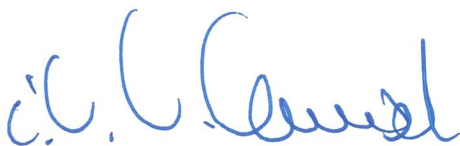

Test report: 201827104/1120 dated 2019-04-02, IFA - Sankt Augustin

Further details: Vacuum cleaner of dust class H,  
intended to be used for:  
- suction of settled dusts  
- filtration of dry, non-combustible and hazardous to health dusts with exposure limit values  
Industrial vacuum cleaners with the additional designation "EX" are also suitable for imbibition and separating dry, combustible, non-conductive dusts and for operation in dust explosion zone 22.

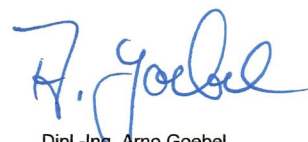

The type tested complies with the test basis specified above. The holder of the certificate is entitled to affix the DGUV Test mark shown overleaf to the products complying with the type tested, including the specification given under the heading further details.

The present certificate including the right to affix the DGUV Test mark is valid until: **2024-04-01**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.

Dr. rer. nat. Peter Paszkiewicz  
Head of testing and certification body

Dipl.-Ing. Arno Goebel  
Certification officer
