

A low-angle photograph of a male mechanic with a beard, wearing a dark t-shirt and light-colored work pants, working on the underside of a car. The car is elevated on a blue hydraulic lift. The mechanic is holding a wrench and looking up at the car's chassis. The background is a blue wall and a red workbench.

# MotorMagasinet - For those who want to follow the industry

Motormagasinet is the automotive aftermarket industry's leading news source in print and digital. Here you get information and inspiration about everything that happens in the industry. Technology is moving fast and we are facing a thorough transformation of the vehicle fleet, with new types of drive systems and completely new forms of ownership and access to cars. Demands are increasing in the country's vehicle workshops for new knowledge, new types of equipment. Various forms of quality assurance and follow-up are required.

All this and much more is covered by Motormagasinet.

It is offered as a newspaper once a week, both in print and as an e-paper. In addition, we are available online through the well-visited website [motormagasinet.se](http://motormagasinet.se), in social media and in newsletters at least twice a week.

In each issue of Motormagasinet you will receive top news, coverage of the industry and in-depths in one or more themes, all written by our initiated reporters.

If you want to stay informed about what is happening in the industry – then you should follow Motormagasinet.
