Architecture and Construction

Media information 2020

Arkbyg is an exclusive magazine for architects, engineering consultants, builders and entrepreneurs. In this magazine, you will get journalistic quality content, beautiful pictures and illustrations. In Arkbyg you will be able to read about the distinctive personalities of the industry, the main trends and themes. The magazine also delivers detailed descriptions of the most sensational projects in Denmark. Every issue contains pages with and about landscape architecture. The magazine is published 8 times a year.

Readership: approx. 23.000
