**LUTZ
HIGHLIGHTS**

EFFICIENT AND POWERFUL

Compressed air power of our MDxL series

www.lutz-pumpen.de/en/mdxl

safety is our concern

Advantages of our most powerful motor:

- Infinitely variable speed control via comfort handle: Flow rate from 0 to 276 l/min and 36 m delivery head
- high output power up to 1000 watts
- more comfortable handling compared to the basic model
- optimised air guidance for high efficiency and low losses of torque and speed

Item no. 0004-725

Item no. 0004-735
